### 3. ročník VLa - zahraniční studenti

### Pathological Anatomy 2

#### In General

1. Subject fulfilled my expectations
2. I managed the study of the subject
3. The subject helped me to form relationship to my future profession

#### Study conditions

1. Number of students in a group
2. Technical, material, practical equipment of a classroom and teaching aids
3. Recommended study literature was up-to-date and available

#### Subject organization

1. Syllabi and requirements for completion of the subjects were clearly defined at the beginning of the semester
2. Teaching of subject was logically organized, understandable and comprehensible
3. Adaptation of teaching organizations to the current epidemiological situation in connection with COVID-19
4. Topic of practical exercise was related to lecture topic
5. Requirements for the exam corresponded with the demands of the subject during the study.

#### Self-assessment, students' observations / opinions

1. I actively took part in the activities and discussions during lessons
2. I asses the students' activity in my group as

What is your overall assessment of the subject?
