How can you borrow study literature?

 **Please visit the Lending Department. The Lending Department is currently located in the Lecture Hall Building (Lecture Halls A and B), at the rear entrance on Novomeského 9, next to the AKAS building.**

Based on your request and the current availability of the required materials, we will provide you with the requested study literature.

 **Loans will temporarily be handled directly without the need to submit a request. If the requested title is currently on loan to another student, we will make it available to you as soon as it is returned.**

Important Information

This is a temporary measure related to the relocation to a temporary workplace during the reconstruction of the building.

We will inform you when the standard operation of the AKAS building and lending services has been restored.

Thank you for your understanding and patience.
