

ORTOPÉDIA J-S-VL-570

SUBJECT COMPLETION REQUIREMENT

Lectures – 6 (available in storage of Jessenius Faculty of Medicine)

Practical exercises – 6 (attendance form – Orthopaedic Clinic JLF UK and UNM)

1. Lectures

Self study recommended.

2. Practical exercises

100% participation in practical exercises with the possibility of one excused absence is required. Replacement of missing practical exercises is possible up to 20% of the total number, with the consent of the head of the department (in accordance with the Study Regulations and the regulation of the Dean of Jessenius Faculty of Medicine Comenius University in Martin). For each unjustified non-participation, it is necessary to prepare a paper on a given topic in the range of 1500 words.

3. Practical exam

The practical exam consists of examining the patient and drawing up a medical record. The examination of the patient will take place at the fourth practical exercise, the handover of the completed medical record at the latest at the last practical exercise.

4. Written test

The final written test will be held at the last practical exercise.

Test rating:

A: 91-100 %, B: 81-90 %, C: 73-80 %, D: 66-72 %, E: 60-65 %, Fx: less than 60 %

5. Oral exam

Participating in the exam is a condition for attending classes, handing in the prepared medical record of the patient and successfully completing the test.

The exam consists of an oral answer to two randomly selected questions.

The exam will be held in two dates - the first date will be during the sixth practical exercise, the second date will be determined after the end of the block teaching.

The final evaluation

The final evaluation will consist of the final grade, which is calculated as the arithmetic average of the grades for the practical exam, for the test and for the final oral exam.

MUDr. Zoltán Cibula, PhD., MHA.
Head of the department
