Analysis of cases/quizzes, presentation of own case-studies – Th 12.03.2026 **15:30**

**17.03.2026** (5<sup>th</sup> week) **15:30**

**Prof. Martina Šutovská, MD, PhD: Pharmacotherapy of hypertension**

Analysis of cases/quizzes, presentation of own case-studies – Th 19.03.2026 **15:30**

**24.03.2026** (6<sup>th</sup> week) **15:30**

**Prof. Martina Šutovská, MD, PhD: Oncopharmacology**

Analysis of cases/quizzes, presentation of own case-studies – Th 26.03.2026 **15:30**

**31.03.2026** (7<sup>th</sup> week) **15:30**

**Prof. Juraj Mokrá, MD, PhD: Diabetes mellitus**

Analysis of cases/quizzes, presentation of own case-studies – Th 02.04.2026 **15:30**

**07.04.2026 and 09.04.2026** (8<sup>th</sup> week) **15:30**

**Presentation of remaining students` case studies**

At the end of each lecture, the lecturer will assign case studies or quizzes to students to be solved and submitted as requested until the common analysis on Thursday in the same week.

To obtain the credit for Clinical Pharmacology the student must be present at minimum **5 lectures or seminars** and prepare and successfully present **one case study** (in PowerPoint) on selected topic during the semester.

The case study can be presented every Thursday during the common analysis of cases/quizzes, if they are related to the topic. In other case they should be presented in week 8 (April 7 and 9, 2026).

**Instructions how to connect to the group using MS Teams will be distributed to all students, who have chosen Clinical Pharmacology latest on February 20, 2026 (Friday).**
